Re: Defendant: Brannen Mehaffey  
Docket No.: A20-MJ-00885 (1)

**Bond Violation Report - No Action Requested**

Honorable Magistrate Judge Andrew Austin:

On October 28, 2020, the defendant was released by your honor on a personal recognizance bond with pretrial supervision. The defendant is pending disposition for violation of Title 21 U.S.C. 846.

Pretrial Services alleges that the defendant violated the condition(s) of release by failing to refrain from any use or unlawful possession of a narcotic drug and other controlled substances.

On November 2, 2020, the defendant submitted a urinalysis and results were presumptively positive for cocaine. The urinalysis was sent to the lab for additional testing, and the results confirmed positive for cocaine.

One of the defendant's conditions of release is to participate in a drug evaluation or treatment as directed by Pretrial Services. The defendant is currently enrolled in 30-days residential treatment at Any Length Retreat in Pflugerville, Texas. This officer respectfully recommends that the defendant be allowed to remain in said residential treatment program.

This information is being provided to the court as information only, and no action is being requested at this time. The U.S. Attorney's office has been advised of this violation and our proposed course of action at this time.

If any further information should be required, please contact this officer at 512-916-5296.

Respectfully submitted,

Kyona Stubbs  
U.S. Pretrial Services Officer
